

Our interdenominational church, the Community Church at Murphy's Landing, on the south side of Indianapolis, IN (7401 S. Harding St.) is looking for a senior pastor. We seek to build the kingdom of God both in Indianapolis and around the world. We are a community church uniting people faithful to the Lord regardless of particular Christian denominational backgrounds. We seek to trust in and rely on the Bible for our personal walk with the Lord and want a pastor with this same attitude, who will preach and teach God's principles of faith and life based on the Scriptures. We are a church committed to worldwide evangelization and discipleship of believers. We are a church who supports missionaries around the world and have sent our own people overseas as full-time missionaries.

We are looking for a pastor who will preach on Sunday and take ultimate responsibility for the worship services with the help of a worship leader. We want a pastor who will encourage both Sunday school for all ages and discipleship training. The pastor will supervise the church staff of a worship leader, a youth leader, and a secretary. We want a pastor who can counsel people. We want him to visit the sick and shut-in and lead others in the church to help with this responsibility. Life groups (or home groups) are important in the life of our church, so we want our pastor to support these groups with both encouragement and guidance. We look to the pastor to provide both spiritual and practical guidance for the board of elders. We want a pastor committed to the Kingdom of God and who seeks to build that Kingdom both in Indianapolis and around the world.
