

## *Springfield Methodist Protestant Church*

Springfield MP Church currently has an opening for a full-time pastor. The pastor would be responsible for overseeing all services of the church. This would include Sunday morning, Sunday evening, and Wednesday evening. We are looking for someone who is visionary as well as excited for what God has planned for you and our Church. Springfield is located in South Alabama approximately 90 miles North of Mobile and about 8 miles South of Thomasville just off of Hwy. 43. Our church is very mission minded both inside and outside our community. Springfield offers a 3-bedroom 3-bath parsonage that is located just up the hill from the church as well as a full-time salary with benefits. We currently have on staff a part time associate pastor/youth minister who recently graduated from Kentucky Mountain Bible College as well as a part time secretary. We moved into our newest facility about 5 years ago and have since converted our older facility into a multipurpose building. Our new facility seats +/- 250 and with our location just outside of the city limits of Thomasville there is great potential for growth. You can find us on Facebook at Springfield Methodist Protestant Church. If interested please call:
