

The Monticello Methodist Protestant Church, located in south Mississippi, is in search of a pastor. Our church was established in 1947. We have a strong core of members. The sanctuary was built in 1975, there is an educational building and a family life center built around 1982. We currently have three services per week: Sunday School and Sunday morning worship; Sunday evening Bible study and Wednesday night fellowship supper with a devotion for youth and games and a devotion for adults with prayer time. The salary is negotiable; there is a three bedroom parsonage, next door to the church property.

If you are interested in serving with us, please contact church leader, Jan Russell at 601-455-3573.
