

BOYCE CHURCH

Independant Christian Church of East Liverpool

Hello!

In 2019 Boyce Church was the first church in the East Ohio Conference, to disaffiliate from the United Methodist Conference. We are now operating as an independent church, Boyce Church of East Liverpool. The Lord has been faithful to provide us with local pastors since our disaffiliation.

We are now stepping out and looking for a new pastor. We are a conservative church that believes in the inherent infallibility of the scripture and are looking for a pastor with that same conviction. We are reaching out to you prayerfully, asking that you review the enclosed description of what we have to offer and what we are looking for when it comes to the pastor for Boyce Church of East Liverpool.

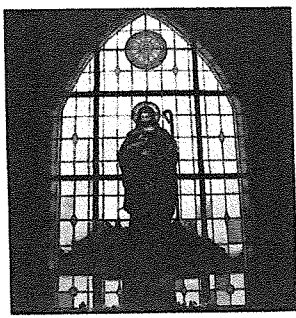

Please review the enclosed description, share it with others, post it where appropriate, and send it out in email groups. Please also pray that God will connect His church with the right pastor for this season.

We appreciate your time and effort in helping with this endeavor. We have faith that the mighty God that we serve will provide the pastor needed to help grow His kingdom in the east end of East Liverpool, Ohio.

Please contact us with any questions you may have. You can reach Pastor Al Talkington at 330-853-5977 or Christine Shaw, chair of the Leadership Committee, at 330-853-0570.

Job Opening: Fulltime Pastor

Boyce Church of East Liverpool: is a non-denominational church that is Armenian in belief, in the Wesleyan tradition. We have an average congregation of about 70 people in each Sunday service. Our mission is ministering to the neighborhood and city where the church is located. Our worship service is a blend of traditional Hymns and Contemporary music.

Duties: Must preach from God's word. Visit the laity, teach Bible Study, Officiate Weddings, Funerals, and other Pastoral duties that arise. They will preach the word, love the people, lead us in identifying ministries, and help us fulfill those ministries.

What we have to offer: a 3-bedroom parsonage, in a beautiful, safe neighborhood, 10 minutes from the church. The parsonage is in the Beaver Local School District in Columbiana County, Ohio. We are also blessed to have a K-12 Christian School in our town.

Salary and Benefits: to be negotiated.

Mission Statement: Win people to Jesus Christ and help believers mature in their walk and service to our Lord.

If you feel the Lord is leading you to be our Pastor and to set up an interview call or e-mail
