

About First Methodist Church Collierville:

We are a Global Methodist Church focused on growing together as the hands and feet of Christ by living faithfully and boldly, encouraging others to experience God's love and grace, and holding true to his Holy Scripture. Born in March 2023, we have been growing ever since! Our membership is currently around 450 and we host multiple Sunday school and small group classes across the entire age spectrum. FMCC Children's and Youth services are active, exciting, and a primary source of evangelism in our community. Located in a booming suburb east of Memphis, TN, First Methodist Church Collierville is a bible-based, mission-minded congregation that seeks to share the Gospel with all.

Director of Youth Ministries:

Do you know someone who would love to work with our growing youth group? We are continuing to build our church staff and are looking for a Director of Youth Ministries. This person would coordinate the educational, mission, events, trips, and other activities that make up our thriving Youth Department.

We will consider part-time or full-time, depending on the best fit candidate. This person needs to have a heart for working with youth, a desire to build a program that supports the spiritual and emotional growth of the students, through various methods of engagement and maintain flexibility as we navigate the changes of a growing church.
