

Dear Friends in Christ,

Brandon First Methodist Church has an exciting opening and ministry opportunity for a versatile, well trained, and gifted pianist. This is a part-time position. The applicant should be able to demonstrate versatile keyboard skills, a sensitivity and calling to worship, and a growing relationship with Christ. The pianist position plays for 2 Sunday morning worship services, accompanies the choir and soloists/musical groups, prepares and plays for Wednesday evening rehearsals, as well as special services throughout the Christian year and special congregational needs.

If you sense the Lord possibly leading you to the worship music ministry of Brandon First Methodist Church, please contact and send inquiries to Rev. Catherine Larsen, Minister of Music and Worship, at clarsen@brandonfirstmethodist.org (662-812-1777). We look forward to hearing from you and learning about how God is calling you as a musician to serve the church.

Blessings,

Rev. Cathy Larsen
